Land Trust Letter of Intent

Blacksburg, Cherokee County, SC • 59.01 Acres

Date: May 15, 2026

To: Upstate Land Conservation Trust / Upstate Forever — Land Protection Division

Subject: Preliminary Site Visit Request & Letter of Intent — 59.01 Acres (Cherokee County, SC)

To Whom It May Concern,

I am writing to express my interest in exploring a conservation easement on my property located in Cherokee County, South Carolina. My goal is to permanently protect the significant natural, hydrological, and scenic features of the tract while carefully reserving a designated zone for low-impact outdoor recreation.

Property Details

- **Owner of Record:** Tasha McCray
- **Total Acreage:** 59.01 Surveyed Acres
- **Location:** Blacksburg, SC (Access via Hickory Hollow Road)
- **Key Ecological Features:** Direct frontage along Kings Creek (southeastern boundary), the internal winding path of Jumping Branch, mature forest canopy, and variable topographic ridges.

Proposed Conservation Framework

I intend to structure a permanent conservation easement placing approximately 30 to 35 acres into strict protection—specifically the riparian buffers along Kings Creek and Jumping Branch, alongside the steep wooded ridges. Concurrently, I intend to explicitly reserve a **Build Zone** of approximately 25 acres along the flatter northern plateau and the flat western entrance neck off Hickory Hollow Road. This reserved area will be used exclusively for a low-impact, nature-first 9-hole executive golf layout and a modest clubhouse hub, designed to blend seamlessly with the surrounding protected landscape.

I possess a current, certified professional boundary survey (completed February 2023 by CBS Surveying & Mapping, Inc.) which outlines all property lines, water boundaries, and adjacent tracts. I would like to invite a representative from your organization to the property for a preliminary site visit to assess its conservation values and discuss how we can best align this recreational project with your land trust's preservation goals.

Thank you for your time, stewardship, and consideration of this project. I look forward to your response to coordinate a convenient date for a property walk.

Sincerely,

Tasha McCray
